Exception: If you originally purchased nonrefundable airline tickets, Part B of the Travel Protection Plan may provide a refund for the airline tickets, taxes, or fees in the event of a cancellation for a covered reason (see Part B for more details). The Travel Protection Plan Fee does not cover any single supplement charges which arise from an individual's travelling companion electing to cancel for any reason prior to departure. However, the Part B travel insurance includes a single supplement benefit of \$1,000 for certain covered reasons as detailed in Part B. In this case, the single supplement will be deducted from the refund of the person who cancels. Division of this charge between the two passengers involved is solely their responsibility. If insufficient funds are deducted from the canceling client, the travelling client will be charged the remaining portion of the single supplement. Cancellation waiver protects you from penalties in the event you have a need to cancel your entire inclusive tour package up to the day prior to departure. Cancellation waiver does not indemnify you from penalties if you chose to cancel partial tour components or air. If you chose to partially cancel your holiday, you will be responsible for a revision fee as well as any penalties that are incurred at the time of the cancellation. Upon cancellation of transportation or travel services where you, the customer, are not at fault and have not canceled in violation of the terms and conditions above, you will be refunded 100%.
